Roth Mosey & Partner's alliance membership means more opportunities to help you prosper.

**Roth Mosey & Partners LLP** has joined the Plante Moran Alliance so that our professionals can partner with one of the nation's largest accounting, tax, and consulting firms and other Alliance members to offer you an exceptional range of services.

## MULTIDISCIPLINARY TEAM WITH DEPTH

Alliance membership means that when the situation calls for it, we can assemble a strong team of international CPAs, tax specialists, and consultants to advise you on transactions, corporate compliance, strategy, technology, operations, and process. It means we can draw on more than 3,000 professionals who include business consultants, lawyers, engineers, and architects.

To offer you the best thinking and the right skills, we can put together a multidisciplinary team. The team will understand your industry and its challenges because Alliance members have experience serving manufacturers, healthcare providers, exporters, real estate developers — you name it.

## TAX IMPLICATIONS OF BUSINESS DECISIONS

Every business decision has tax implications and with the international tax specialists available through the Alliance, we can help with tax planning that will align with your global tax strategy.

## STRATEGIES FOR THE GLOBAL MARKETPLACE

As an Alliance member, we can also assemble a team of experts with the right mix of experience and skills to help you explore business opportunities around the world, providing due diligence, strategy, and implementation services on an international level.

Alliance membership also helps us offer you a broader and more in-depth menu of technology consulting services and access to consultants with experience in forensic and valuation services, restructuring, operational improvement, and employee benefits.

## REAL ESTATE, INVESTMENT, AND CORPORATE FINANCE

If you need help with foreign site selection, lease administration, or facility planning, the Alliance has full-service, independent real estate advisors. If you need help with succession planning, estate planning, tax planning, insurance decisions, or investment advice, the Alliance also has nationally known experts to help.

And if you are thinking about selling or buying a business or entertaining a merger, the Alliance has corporate finance specialists.

As the only Canadian member, our membership in the Plante Moran Alliance is another way we can provide exceptional services to help your business prosper.
