He has completed numerous tax courses sponsored by the Canadian Institute of Chartered Accountants including the In-Depth Income Tax Program. He has presented at the Canadian Tax Foundation's Ontario Tax Conference and at meetings of the Detroit Estate Planning Council and the Windsor Estate Planning Council. He has written articles that have been published in national releases for PricewaterhouseCoopers LLP, as well as in local business magazines.

Ryan's focuses on providing the following services:

- Assessing the tax effectiveness, compliance requirements and Treaty implications in respect of cross border business activities.
- Assisting with the development of effective tax structures in respect of both Canadian in-bound and out-bound investment, including planning related to the capitalization of foreign operations, repatriation of funds, cross-border inter-corporate payments and acquisitions and divestitures.
- Identifying and providing guidance regarding tax planning opportunities that can reduce your tax burden, and assist in effectively managing the cash flow of your business.
- Providing accounting, business, and tax guidance regarding the expansion, purchase, or sale of a business, including succession planning and reorganization of share ownership.
- Estate and post mortem planning related to funding terminal tax obligations, tax minimization, the avoidance of double tax, use of testamentary trusts for asset protection, the use of life insurance to meet objectives, probate planning and the effective use of Shareholders' Agreements in an Estate plan.
- Providing due diligence services to assess and address tax exposure related to proposed acquisitions.
- Providing guidance on sales tax compliance, including GST/HST.
